I value authenticity and building impactful lifelong relationships with those around me.

I work to be a vehicle of positivity in my relationships, profession, and community.

I will find opportunities to use my natural talents such as decision making, being a friend, having a sense of humor, and loving fiercely.

I will be the person who lives with passion, determination, and gratitude.

I will find satisfaction in my work by continuing to advocate, dreaming big, bonding with others, and serving.

I AM COMMITTED TO HELPING STUDENTS DEVELOP THE SKILLS NECESSARY TO GAINING AUTONOMY.

I will find enjoyment in my personal life by indulging my wanderlust, seeing problems as challenges, treating everyone with kindness, and nurturing relationships.
